Website Templates for Artists

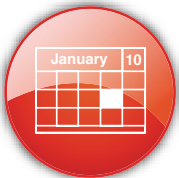

Whether you are a Painter, a Sculptor, a Graphic Designer or simply a modern day Visionary, the web is an indispensable tool, crucial to your success. Your Dynamod Portal can provide you with all of your website requirements while exceeding your client's expectations! Enable your audience to view your creations outside of your usual venues, contact you regarding a special piece or custom order, or check your schedule to find out where future gallery openings will take place.

Upload Your Artwork In Seconds!

NO WEB KNOWLEDGE NECESSARY!

Your Dynamod Portal is accompanied by an Administration System easier to use than Hotmail! Uploading Pictures, MP3's, Videos, PDF's and text has NEVER been easier. Simply select the file you wish to upload and click Submit. It's that easy.

Itinerary Module

The Itinerary Module is ideal for the artist website template users. Enter the dates of your exhibits/ premiers, the venues and any special directions and your Dynamod Portal will display and order them correctly by upcoming and previous gigs. You can even enter links to the venue as well as pricing/special instructions.

Mailing List Module

Using your Dynamod Web Portal, keeping your visitors up to date has never been easier. Send Plain Text or HTML emails to anyone and everyone on your mailing list straight from your Portal Admin.

Many Themes Available

Using your Administration System, you'll have numerous ways to customize the look and feel of your Portal at any time. Not only can you select from thousands of different color schemes, but you can also choose from many flash website templates we have available. New themes are added regularly.

Unlimited Email Accounts

Now you can instantly project a professional image by using your domain name to brand your company or personal e-mail. You'll reinforce your company name every time you or one of your employees sends an e-mail message. You get your own private yourdomain.com mail server so every email you send is personalized with your domain name brand.

Website Hosting Services Included

Dynamod Web Portals include premium website hosting solutions utilizing the best hardware and Internet connections imaginable and are accompanied by our 99.8 percent uptime guarantee.
